

RECESSIONAL

SPIRIT OF TRIPP LAKE

Spirit of Tripp Lake young but old,
To thee before we leave and part,
We pledge to cherish and to hold
Thy creed of open mind and heart.
Tripp Lake Spirit stay with us yet
Lest we forget, lest we forget

We who in thee have put our trust (have put our trust),
Will never fail to follow through (to follow through)
Though struggle valiantly we must
Though years be many or be few (or be few)
Tripp Lake Spirit be with us yet
Lest we forget, lest we forget, forget

Come autumn nights and winter days,
On beach and campus snow will fall,
Southward the birds will wing their ways,
So come what may we'll heed your call
Tripp Lake Spirit come to us yet
Lest we forget, lest we forget, forget

Our cheering and our singing fade (our singing fade)
Soon fun and work will mem'ries be (will mem'ries be)
But when our last games have been played
We'll still stay true to TLC (to TLC).
Still owing thee a life long debt
Ne'er to forget, Ne'er to forget, forget

And now dear friends both old and new
Time grows short the end is near
When summer's curtain falls for you
Let's say goodbye without a tear
But only joys that we have met
Ne'er to forget, Ne'er to forget
Tripp Lake.
