

## TO YOU

To you we sing of our love for Tripp Lake

For you're a part of that.

Your smiling eyes hold the warmth of friendship

That's known to every heart.

Time holds a special meaning as we share each precious day.

Camp has a way of giving a moment to friends.

Our memories last through the years unending

Of joys we've shared with you

And as we sing of our love for Tripp Lake

We sing, Aunt Ruth, to you.
